

This is a list of native plants that had no visual impact to foliage after a temperature of 24 degrees in January, 2018, and were not protected in any way. It is an average visual assessment with variation that might be due to microclimates in yards. Information submitted by members of The Villages Chapter (Zone 9A) of the Florida Native Plant Society. Compiled by Jeanie Powell.

FLOWERS:	VINES:	TREES:
Arrowhead (<i>Sagittaria</i> sp.)	Carolina jessamine (<i>Gelsemium sempervirens</i>)	Chapman oak (<i>Quercus chapmanii</i>)
Beach verbena (<i>Glandularia maritime</i>)	Climbing aster (<i>Symphotrichum carolinianum</i>)	Cherry laurel (<i>Prunus caroliniana</i>)
Dotted/spotted horsemint (<i>Monarda punctata</i>)	Coral honeysuckle (<i>Lonicera sempervirens</i>)	East Palatka holly (<i>Ilex x attenuate</i>)
False rosemary (<i>Conradina canescens</i>)	Crossvine (<i>Bignonia capreolata</i>)	Loblolly bay (<i>Gordonia lasianthus</i>)
Garberia (<i>Garberia heterophylla</i>)	SHRUBS or SHRUB-LIKE:	Longleaf pine (<i>Pinus palustris</i>)
Indian blanket flower (<i>Gallardia pulchella</i>)		Dwarf walter's viburnum (<i>Viburnum obovatum</i> var.)
Pennyroyal (<i>Piloblephis rigida</i>)	Dwarf wax myrtle (<i>Myrica pusilla</i>)	Magnolia (<i>Magnolia</i> sp.)
Phlox (<i>Phlox</i> sp.)	Dwarf yaupon holly (<i>Ilex vomitoria</i> var. Schillings)	Myrtle oak (<i>Quercus myrtifolia</i>)
Rain lily (<i>Zephyranthes atamasca</i>)	Dwarf yaupon holly (<i>Ilex glabra</i>)	Red bay (<i>Persea borbonia</i>)
Silver leaf aster (<i>Pityopsis graminifolia</i>)	Gallberry (<i>Ilex glabra</i>)	Yaupon holly (<i>Ilex vomitoria</i>)
Spiderwort (<i>Tradescantia ohiensis</i>)	Rusty lyonia (<i>Lyonia ferruginea</i>)	PALMS or PALM-LIKE:
St. Andrew's cross (<i>Hypericum hypericoides</i>)	Simpson stopper (<i>Myrcianthes fragrans</i>)	Coontie (<i>Zamia floridana</i>)
St. John's wort (<i>Hypericum reductum</i>)	Sparkleberry (<i>Vaccinium arboretum</i>)	Saw palmetto (<i>Serenoa repens</i>)
Starry rosinweed (<i>Silphium asteriscus</i>)	Virginia sweetspire (<i>Itea virginica</i>)	Silver saw palmetto (<i>Serenoa repens</i>)
	Walter's viburnum (<i>Viburnum obovatum</i>)	
GRASSES:	Wax myrtle (<i>Myrica cerifera</i>)	
Blue eyed grass (<i>Sisyrinchium angustifolium</i>)	Wild blueberry (<i>Vaccinium darrowii</i>)	
Dwarf fakahatchee (<i>Tripsacum floridanum</i>)	*Yellow anise (<i>Illicium parviflorum</i>)	
Fakahatchee (<i>Tripsacum dactyloides</i>)	Yucca (<i>Yucca</i> sp.)	
Muhly grass (<i>Muhlenbergia capillaries</i>)		*had protection
